

**MORNINGSIDE STUD**

"The basis for breeding excellence is the mare, and the basis for the success of the particular mare is the consolidation of high performance genes in her motherline."

Tom Reed

Approved Stallions  
Stallion Prospects  
Competition Horses  
Breeding Mares in Foal  
Foals & Yearlings  
Consultancy Services  
(Purchasing & Breeding)

All sired by world-class stallions out of mares with high performance motherlines.
